	Box 2 of 2	89 x 5 x 5	80				

To save installers money, we have engineered the use of locally sourced 2" or 3" schedule 40 steel pipe as the primary structural element of our Ground Mounting System. Schedule 40 pipe information is located on page 17 in our product catalog.

When additional assistance is needed to address ground mounting your panel array, please contact our customer service team at 800-227-9523, or at sales@ironridge.com. Often, IronRidge distributors prefer to use our online Ground Mounting Configurator application found at www.ironridge.com/gm.

Pole Mount Systems

Top of Pole Mounts

Item #	Description	L x W x H (Inches)	Weight (lbs)	MSRP (1+)	MSRP (5+)	MSRP (10+)	Ships From
